Rehabilitation Rounds

Thursday, May 2, 2019 12:10 to 1:00 pm
Rehabilitation Sciences Building, 500 University Ave, Room 132

“Current issues on Disability and Rehabilitation in North Korea”

Dr. Hwan Kim
Associate Professor, Department of Occupational Therapy,
Daegu University, South Korea
Chair of Work Ability Association (Korean)
Editor-in-Chief of Journal of Health and Occupational Science (Korean)
Research Team Leader, Korean Coalition of Rehabilitation Therapists

Dr. Hwan Kim earned his MSc in 2006 and his PhD in 2011 in Rehabilitation Science at the University of Toronto, RSI (formerly, Graduate Department of Rehabilitation Science) and was supervised by Dr. Angela Colantonio. Dr. Kim worked as an occupational therapist in South Korea. He has been an Associate Professor at Daegu University in South Korea for 7 years. His research foci include intervention studies on people with brain injury, and epidemiological studies on injured workers. Currently, Dr. Kim is a visiting scholar (sabbatical year) in the Department of Occupational Science and Occupational Therapy at the University of Toronto.
