

Looking up Coding from Previous Placements in InPlace

It is important to note that we use two different processes for submitting offers in InPlace:

1. **Placement Manager:** This is used for Introduction to Fieldwork and Fieldwork 1. Sites submit placements and when you go into that placement and click “details”, the details and coding will be displayed.
2. **Opportunities:** This is used for Fieldwork 2, 3, and 4. Sites submit offers using “opportunities”. When a student is matched to an opportunity, it then becomes a placement.

Looking up Coding for Fieldwork 1:

1. Go to your “Confirmed” tab in InPlace and locate your Fieldwork 1 placement:

Name	Supervisor	Period	Duration
Sunnybrook Health Sciences Centre - St. John's Rehab Campus		2023-10-30 - 2023-12-15	35 Days
VHA Rehab Solutions		2023-05-01 - 2023-06-09	30 Days
Sunnybrook Health Sciences Centre		2022-10-10 - 2022-10-21	5 Days

2. Click on the name of the agency for your Fieldwork 1 placement and scroll down to “Placement Specific Details”:

Placement Specific Details ^

Placement Details:

Category * +

Physical/Psychosocial Health

Internship Type * +

Community Health Service (publically funded, currently includes primary care)

Placement Description * +

This will be a purely clinical placement. Students will be able to observe and participate in how services are delivered in the community. You will be seeing clients ages 18 and above who have physical medicine needs and/or mental health needs. You will be conducting interviews and assessments. You will be actively involved in treatment planning and execution of plans in collaboration with clients and preceptor. Your preceptors are Assistive Devices Program authorizers; you will observe and participate in the assessment, prescription and request for funding for mobility aids. Geographical area will be in Toronto (this will mainly be north of Eglinton, south of Steeles, east of Kipling and west of Yonge, but not bound by those streets).

Lifespan * +

Adult and older adult

Looking up Coding for Fieldwork 2, 3, or 4:

1. Login to InPlace. Click on “fieldwork placement” under “Available” on the right side of your screen.

2. Click the dropdown menu on the right side under “Sorted by”. Click “Application Close Date”.
